### Sustainability Champion

Caring for our environment is in our DNA! Checking all products are used before the best before date and rotating stock correctly.

#### Arrival time:

Open, Rinse and Dry Anchor milk cartons. Only clean and dry milk cartons can be collected. Store in your blue recycling bin or follow your school recycling process.

Ensure all cardboard packaging from the Sanitarium Weet-Bix™ boxes is recycled in your usual cardboard recycling bin.

Good stock rotation - check that older stored products are used first and before their best before date.
